To allow our competitions to proceed without disruption, **all attendees eligible for vaccination must have a vaccination certificate** to be admitted to the venue. This includes all competitors, judges, pipers, organising committees, spectators etc. Societies will need to include this condition on their competition schedules, and this will become a condition of the Centre permitting process. Societies will also need to arrange for vaccination certificates to be checked as people arrive at the venue.

**In Short:**

**To ensure participation/attendance in upcoming competitions, all eligible Piping and Dancing Association members (all those 12 years and over) must be vaccinated and have a vaccination certificate. If you are not yet vaccinated, PLEASE GET VACCINATED NOW so you can continue to participate.**
