# Piping & Dancing Workshops

The Te Anau Tartan Festival committee is delighted to announce that this year we will be offering piping and dancing workshops on Sunday, 17<sup>th</sup> April, 2022 as part of the festival programme.

Registrations are open to anyone but are **HALF PRICE** for those who are also entering our competitions.

You may enter for workshops at the same time as you submit your piping and dancing competition entries (see the following pages for instructions on how to enter/register).

Parents may also register to observe workshops for \$10.

## Piping

Graeme Bryce, of Christchurch, is our guest tutor. He will offer two workshops – one aimed at Novice to D-grade pipers and the other for those at C-grade and above.

Novice to D-grade will run for approximately 2 hours and cover such topics as introduction to bagpipe maintenance and a step-by-step process to learning a new tune.

The C-grade+ workshop will comprise two sessions of approximately 1.5 hours each and cover such areas as maintenance, tuning drones, setting chanter, and technique.

Graeme will also have with him a small selection of bagpipe maintenance items that will be available to workshop participants at a 15% discount.

A checklist of what to bring will be sent out closer to the time. Be sure to book at the same time as you make your competition entry.

## Highland Dancing

Our highland dancing tutors are Julie Hawke, of Christchurch, and Robyn Simmons, of Blenheim.

Classes will be offered in the following highland examination grades (two venues will be operating simultaneously to get through everything in one day): Initial, Preparatory, Grade 1, Grade 2, Grade 3, Grade 4, Grade 5, Elementary, Intermediate and Advanced.

Two FREE workshops will also be taken by members of the Highland Dance Company of New Zealand, covering strength and conditioning, and a question-and-answer session.

Dress is studio uniform. Bring a sword, if possible. A timetable will be distributed closer to the time. Be sure to book at the same time as you make your competition entry.

# How to Enter online

The next few pages outline the steps needed to enter online.

We are utilising the ticketing platform Humanitix for our entries. This is the first time we have attempted this and, because it is not designed for this type of competition entry, we have had to make a few compromises to enable it to fit our purposes. This means that there some occasions where the same, or similar, information is asked for more than once. Unfortunately, there is nothing we can do about this, and you will have to complete all fields as requested.

We look forward to welcoming you to Te Anau 😊

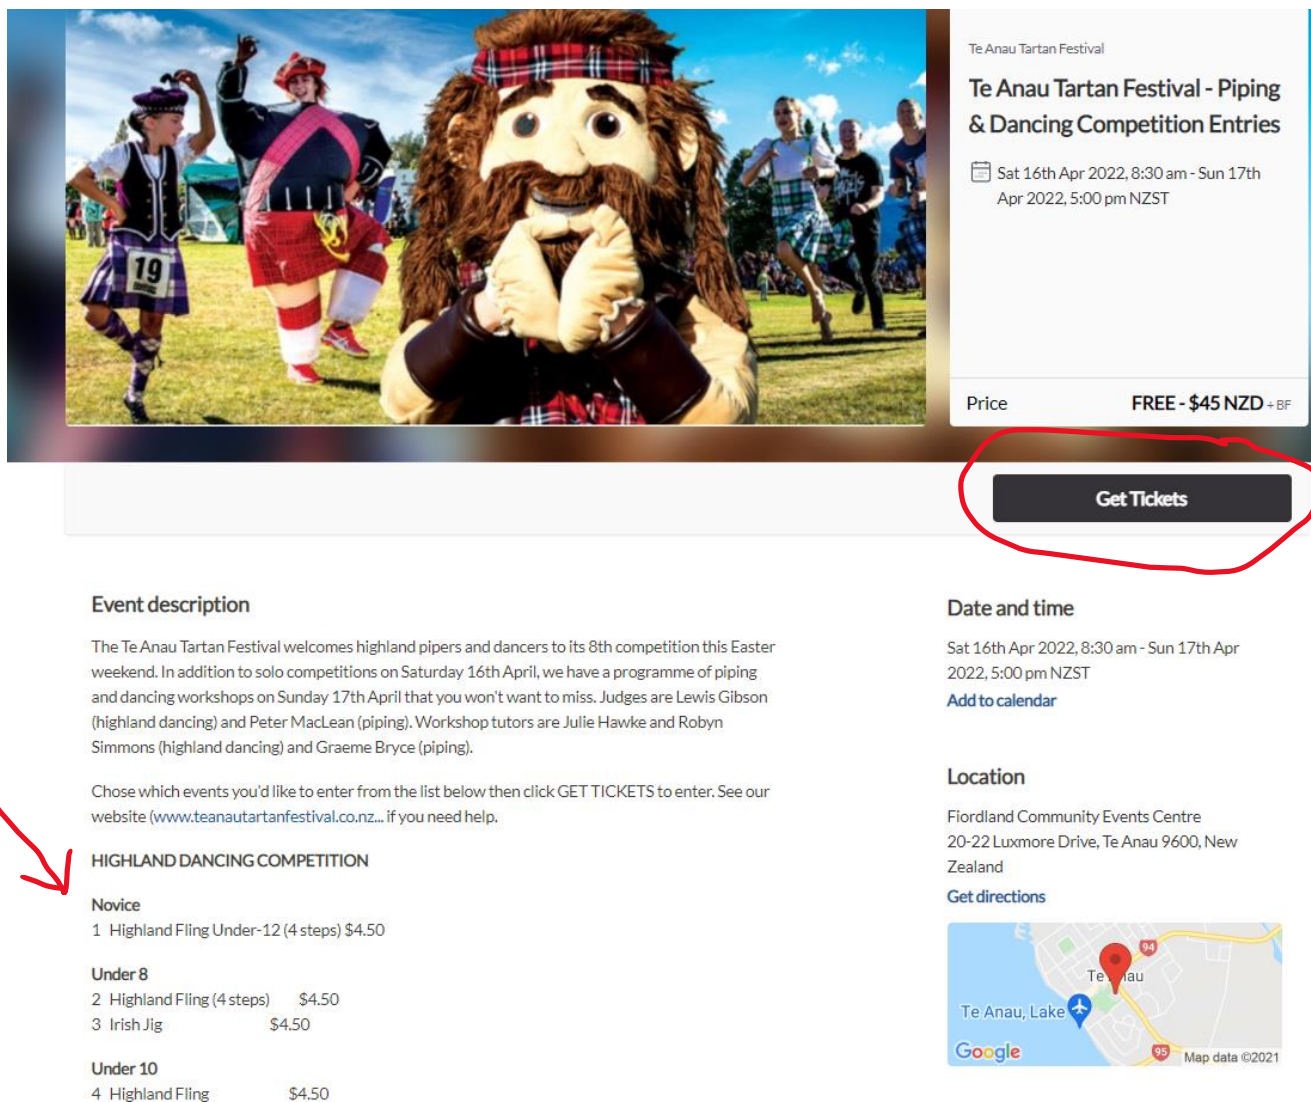

*Please note that Heart of the Highlands tickets (the NZ Highland Dance Company performances) are sold separately so cannot be added to your competition/workshop order. These can also be found on the Te Anau Tartan Festival website. However, highland games entry is free to piping and dancing competitors and this should be added to your competition order.*

## STEP 1

Go to the Piping & Dancing competition page of the Te Anau Tartan Festival website [www.teanautartanfestival.co.nz](http://www.teanautartanfestival.co.nz). Here you will see the full list of events available.

Make a note of how many events you want to enter each piper/dancer in (i.e. the total number for EACH piper/dancer you're entering, not the combined total. The reason you need to do this is because at the next stage you will select packages of entries per dancers/piper.
